Minimum Orders & Notice

As all our food is hand made to order at least 24 hours notice is preferred, last minute requests are subject to availability of produce.

Minimum order applies to per piece items of 10pcs. We have set some special prices for some items when you purchase a box qty as per the menu.

Delivery

Ordered catering may be collected free of charge from our café by arrangement or delivery can be arranged to Perth CBD & Surrounding Areas for a fee.

Local & CBD \$35.00 Per Delivery

Outside Perth CBD Greater than 30 mins round trip \$60.00 per Delivery

Packaging

We supply all catering in Cardboard Catering Boxes that we have selected to use because they are compostable.

The lids used are clear PLA plastic - (PLA bioplastics are produced from PLA (poly-lactic-acid) harvested from corn starch, which is a natural, annually renewable resource.

The production of PLA produces fewer greenhouse gas emissions compared to conventional plastic production. PLA can be composted in commercial compost facilities)

We charge \$3.00 per box
